Be A Winner Through Participation

The Pikes Peak Road Runners have selected a handful of our club events and have put together a "series". In some cases, there will be a small entry fee, in some cases there will be a commemorative shirt, but in all cases there will be an entry form/sign in sheet to complete and turn in. The culmination of this series will be at our club's event "The Great Race". We will have a presentation ceremony for all of those who have participated, in part or in full. Below are the events we are including:

<p>May 6 Nielson Challenge 8:00am 1 Mile/ 2 Mile</p>	<p>June 24 Panoramic Run @ Bear Creek 7:30am 1 Mile / 2 Mile/ 4 Mile</p>	<p>July 2 Veteran's Home Run 7:00am 3K / 5K</p>	<p>August 5 Nielson Challenge 8:00am 1 Mile / 2 Mile</p>	<p>September 23 The Great Race 8:00am 5K</p>
---	---	--	---	---

It's never too late to start something new for your life and for your health. Though the events will be timed, your participation is all that matters. Meet new people who also want to make changes in their life or others who run/walk regularly. All it takes is one step after another.
