The Circle of Hope Fund

Having cancer is a very difficult experience. In-addition to serious illness, patients must cope with family stress, potential loss of income and financial burdens for extended medical care. Often, health insurance is able to cover only a-part of necessary expenses.

A special fund called the Circle of Hope can help those who need a little assistance for special needs. Created specifically to help patients currently undergoing treatment at Memorial, the fund will provide assistance for expenses such as transportation, lodging, meals and medication. The fund will not be used for hospital charges.

By taking part in the 2009 Run for Hope, you are reaching out to assist those whose lives have been disrupted by cancer.

Additional donations are tax deductible and can-be made by using your race envelope or entry form. More information on donations made in honor of or in memory of particular people is available from:

The Circle of Hope,
Memorial Health System Cancer Center,

Celebrating Our Cancer Survivors!

In conjunction with Memorial Cancer Center's *Moving Forward* cancer survivorship program and National Cancer Survivors Day, we will be celebrating our survivors at the Run for Hope!

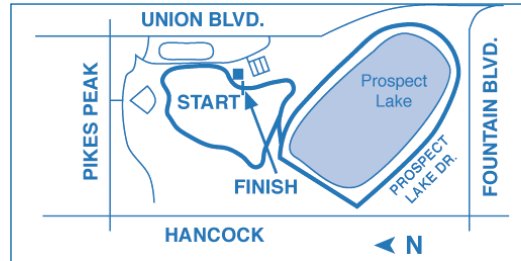

Many of our survivors have utilized Circle of Hope funds during their cancer journey, so it seems a perfect fit for our runners to celebrate our survivors and our survivors to cheer on our runners!

Join us for a time of celebration and fun, including resources and information for cancer survivors.
