2006 PPRR Board Nominations

Nominating Committee

Jack Anthony, Cymmie Baily and Al Grimme

We have three openings on the PPRR Board of Directors and are fortunate to have PPRR members Mickey Simpson, Tony Abdella and Jon Cornick seek to serve on your board. This article will introduce these fabulous members who are dedicated runners, volunteers and board member wannabees! The remaining PPRR leaders and board members seek to continue their service, thus, we have a full slate to affirm at our annual General Membership and Fall Series dinner on November 19th. Call Pat to make your reservaton.

Mickey Simpson

Mickey began running in 2001 and she enjoys volunteering at packet pickup, registration, finish line and as a newsletter stuffing person.

Her best running memory is crossing the finish line at the Boston Marathon in 85° weather. Mickey wants to make a contribution to our club and looks forward to learning more on how PPRR puts on such wonderfully run races. Al Grimme encouraged Mickey to take the board member plunge and how grateful we are she said yes to running for the board.

Jon Cornick

Jon enjoyed running in high school and found it really paid off when he was at Colorado School of Mines in the early 80's as he needed a stress reliever from his studies. Jon enjoys our newsletter stuffing events and encourages more folks to try this out—after all he says there's very little opportunity for failure and it's a fun crowd.

His best running memory happened this year at the Outward Bound 170-Mile Relay. Jon had a night run of 6.8 miles from Frisco to Cooper Mountain under a full moon in a cloudless

sky. He turned off his headlamp and enjoyed the night scenery. Jon enjoys being around other runners and seeks to serve on the board to learn how to organize an event and his goal is to eventually help in organizing a "Ring the Peak" ultra-run once the final trails have come together. Jon credits Cymmie Bailey who chatted with Jon while freezing in Ute Valley Park during a Fall Series race. Jon seeks to serve on your PPRR board!

Tony Abdella

Tony started running as a kid on a farm where he would run over to friends' homes. He tackled cross country and track in

high school and credits his sons who started their running careers in middle school for encouraging dear ole dad to join in. Eventually he joined Pikes Peak Road Runners and he's been an avid

runner and racer since. Tony volunteers at many races in many role. Tony says he has many good memories of running and cites the camaraderie of running with friends. He's a coach at heart and enjoys helping other runners improve their running skills or watching them get more involved in our sport. Tony loves trail runs and ranks the fall series as his my favorite running event!

Tony shares that he's extremely impressed with how friendly and helpful club members are and looks forward to working with such a great group of people. Tony credits several people for encouraging him to seek to be a board member and is very interested in helping kids to get into running. He's the right person to help lead the club in that important direction. Tony emphasizes our future is in our children and he hopes to be a good example for them—and he is!
