

Course Records -- Manitou Springs Mayor's Cup

These are the records as of the 2001 race. This is based on the course that starts/finishes near Patsy's Candies on the 900 block of Manitou Avenue in Manitou Springs. This course was first used in 1997.

Note: Awards are given out in 5-year increments, but these course records are broken down into 1-year increments so that more people will have bragging rights. (We all need bragging rights at least once in our life.)
