

## Summer Roundup Trail Run History Records (thru the 2002 race) (You may be part of history)

The following statistics are for bragging rights only. The awards for the Summer Roundup Trail Run are based on 5-year age increments; however, the following shows the records for 1-year age increments. If you see your name in these records, pat yourself on the back, and your significant other or best friend owes you dinner.

**Course:** Starts/Finishes at Penrose Equestrian Center in Colorado Springs. Uses trails in Bear Creek Park (adjacent to the equestrian center) and trails along Monument creek. Distance is 12K. The course is not certified. Course first used in 2000. For the 2002 race, there was an adjustment made to the course because of trail conditions. The adjusted course is very comparable to the normal course (i.e., one flat section was replaced with another flat section), thus the 2002 results are also compiled into these results.

Note: An entry that is **bolded** indicates the course record for the 5-year age group.

Summer Roundup Trail Run Stats	2000	2001	2002
Number of registered runners	631	672	628
Number of official finishers (Note: difference between registered runners and finishers is because of no-shows.)	491	509	476
Number of turkeys (i.e., non-registered finishers)		2	0
Number of course/event records, overall category (max 2)	2	2	0
Number of course/event records, masters category (max 2)	2	2	1
Number of course/event records, age-group category (max 36) (Note: age groups are 1-14, then 5-year increments up to 90-94, then 95 and over. Some of these age groups have not had any runners yet.)	26	14	9

## Summer Roundup Trail Run History Records (thru the 2002 race)

(You may be part of history)

The following statistics are for bragging rights only. The awards for the Summer Roundup Trail Run are based on 5-year age increments; however, the following shows the records for 1-year age increments. If you see your name in these records, pat yourself on the back, and your significant other or best friend owes you dinner.

**Course:** Starts/Finishes at Penrose Equestrian Center in Colorado Springs. Uses trails in Bear Creek Park (adjacent to the equestrian center) and trails along Monument creek. Distance is 12K. The course is not certified. Course first used in 2000. For the 2002 race, there was an adjustment made to the course because of trail conditions. The adjusted course is very comparable to the normal course (i.e., one flat section was replaced with another flat section), thus the 2002 results are also compiled into these results.

Note: An entry that is **bolded** indicates the course record for the 5-year age group.

Summer Roundup Trail Run Stats	2000	2001	2002
Number of registered runners	631	672	628
Number of official finishers (Note: difference between registered runners and finishers is because of no-shows.)	491	509	476
Number of turkeys (i.e., non-registered finishers)		2	0
Number of course/event records, overall category (max 2)	2	2	0
Number of course/event records, masters category (max 2)	2	2	1
Number of course/event records, age-group category (max 36) (Note: age groups are 1-14, then 5-year increments up to 90-94, then 95 and over. Some of these age groups have not had any runners yet.)	26	14	9
